

# Fragile

## Jaume Ramírez

SKU: MAMOET-201-Fragile Table Lamp

The Fragile lamp is a mix of geometric shapes. A cone and a sphere are arranged to hold a cylinder that emits ambient light from below. In its form, we find remnants of the past; in the material, we find emotion. The glass not only reveals the light source; it also speaks of purity, lightness and how this design blends in with its surroundings. Its structure seems to stand effortlessly, a very serious feat in which everything is in plain sight.
